

To whom it may concern

**Re: Admission arrangements consultation**

It is a requirement for all multi-academy trusts to consult on Admission Arrangements for their schools at least every seven years – even if no changes or amendments are being suggested.

To meet this requirement (which is part of the School Admission Code), the Active Learning Trust will be running a consultation between 30<sup>th</sup> October and 8<sup>th</sup> December 2023.

You are being send the attached consultation documents as your establishment is considered to be in an area that may have a potential interest in the outcome of any consultation.

**Please note – no changes are being recommended.** The consultation is for Published Admission Numbers for all Active Learning Trust schools in Suffolk to remain the same.

If you would like further information, or would like to submit any comments on the consultation, please email [ALTAdmissions@activelearningtrust.org](mailto:ALTAdmissions@activelearningtrust.org)

Thank you.
