Year 6 Parents Consultation Evening – Spring Term 2018.

Dear Parents

Year 6 are adopting a new approach to the Parents Consultation evening this term and will be offering parents appointments to meet with their Maths and English teacher. The thinking behind this is you will receive a more personal assessment of your child's progress and the next steps to continue their learning journey. This may mean you have two appointments, one with the Maths teacher and one with the English teacher, if your child is not taught by the same teacher for both subjects.

To support this change there will be a choice of three days for the appointments. Tuesday 6th February, Wednesday 7th February (afternoon only) and Thursday 8th February. These appointment slots will not be available via the usual Parentmail process and will need to be made via the school office. An appointment slot may be requested via a visit to the school office or by telephone. Parents are requested to leave a gap in their appointments if booking with two teachers to ensure they make the appointment on time. We would ask that you do not contact the school between 8.30 – 9.30am and 3.15 – 3.45pm as these are particularly busy times and the office staff may not be available to deal with your enquiry. The appointment system will be available from 9.30am Wednesday 24th January.

To ensure that year 6 parents also have the opportunity to link any sibling appointments we have delayed setting up whole school appointments until Saturday 27 February. These appointments must be booked via Parentmail and appointments for other year groups cannot be made via the school office.

We appreciate parents may well want to discuss other areas of curriculum or pastoral issues with their child's registration teacher. We ask you to do this through the normal channels of making appointments to speak to the class teacher on an alternative occasion.

If you have any further questions regarding this please contact your child's class teacher in the first instance.

Thank you for your support.

Year 6 team.
